

LILLIPUT®

Security monitor for HD CCTV security camera systems & commercial television

FA1014/S

MODEL NO.:

10.1"

SECURITY
SDI Monitor

HD
1280×800

3G-SDI
HDMI & VGA

3G-SDI
HDMI / VGA / Composite

SDI supports 3G-SDI, HD-SDI and SD-SDI signal inputs. HDMI input and DVI input for optional Universal VGA and AV composite ports can also meet different usage environments.

HD
Resolution

Creatively integrated the 1280×800 native resolution into a 10.1 inch LCD panel, which is far beyond from normal resolution.

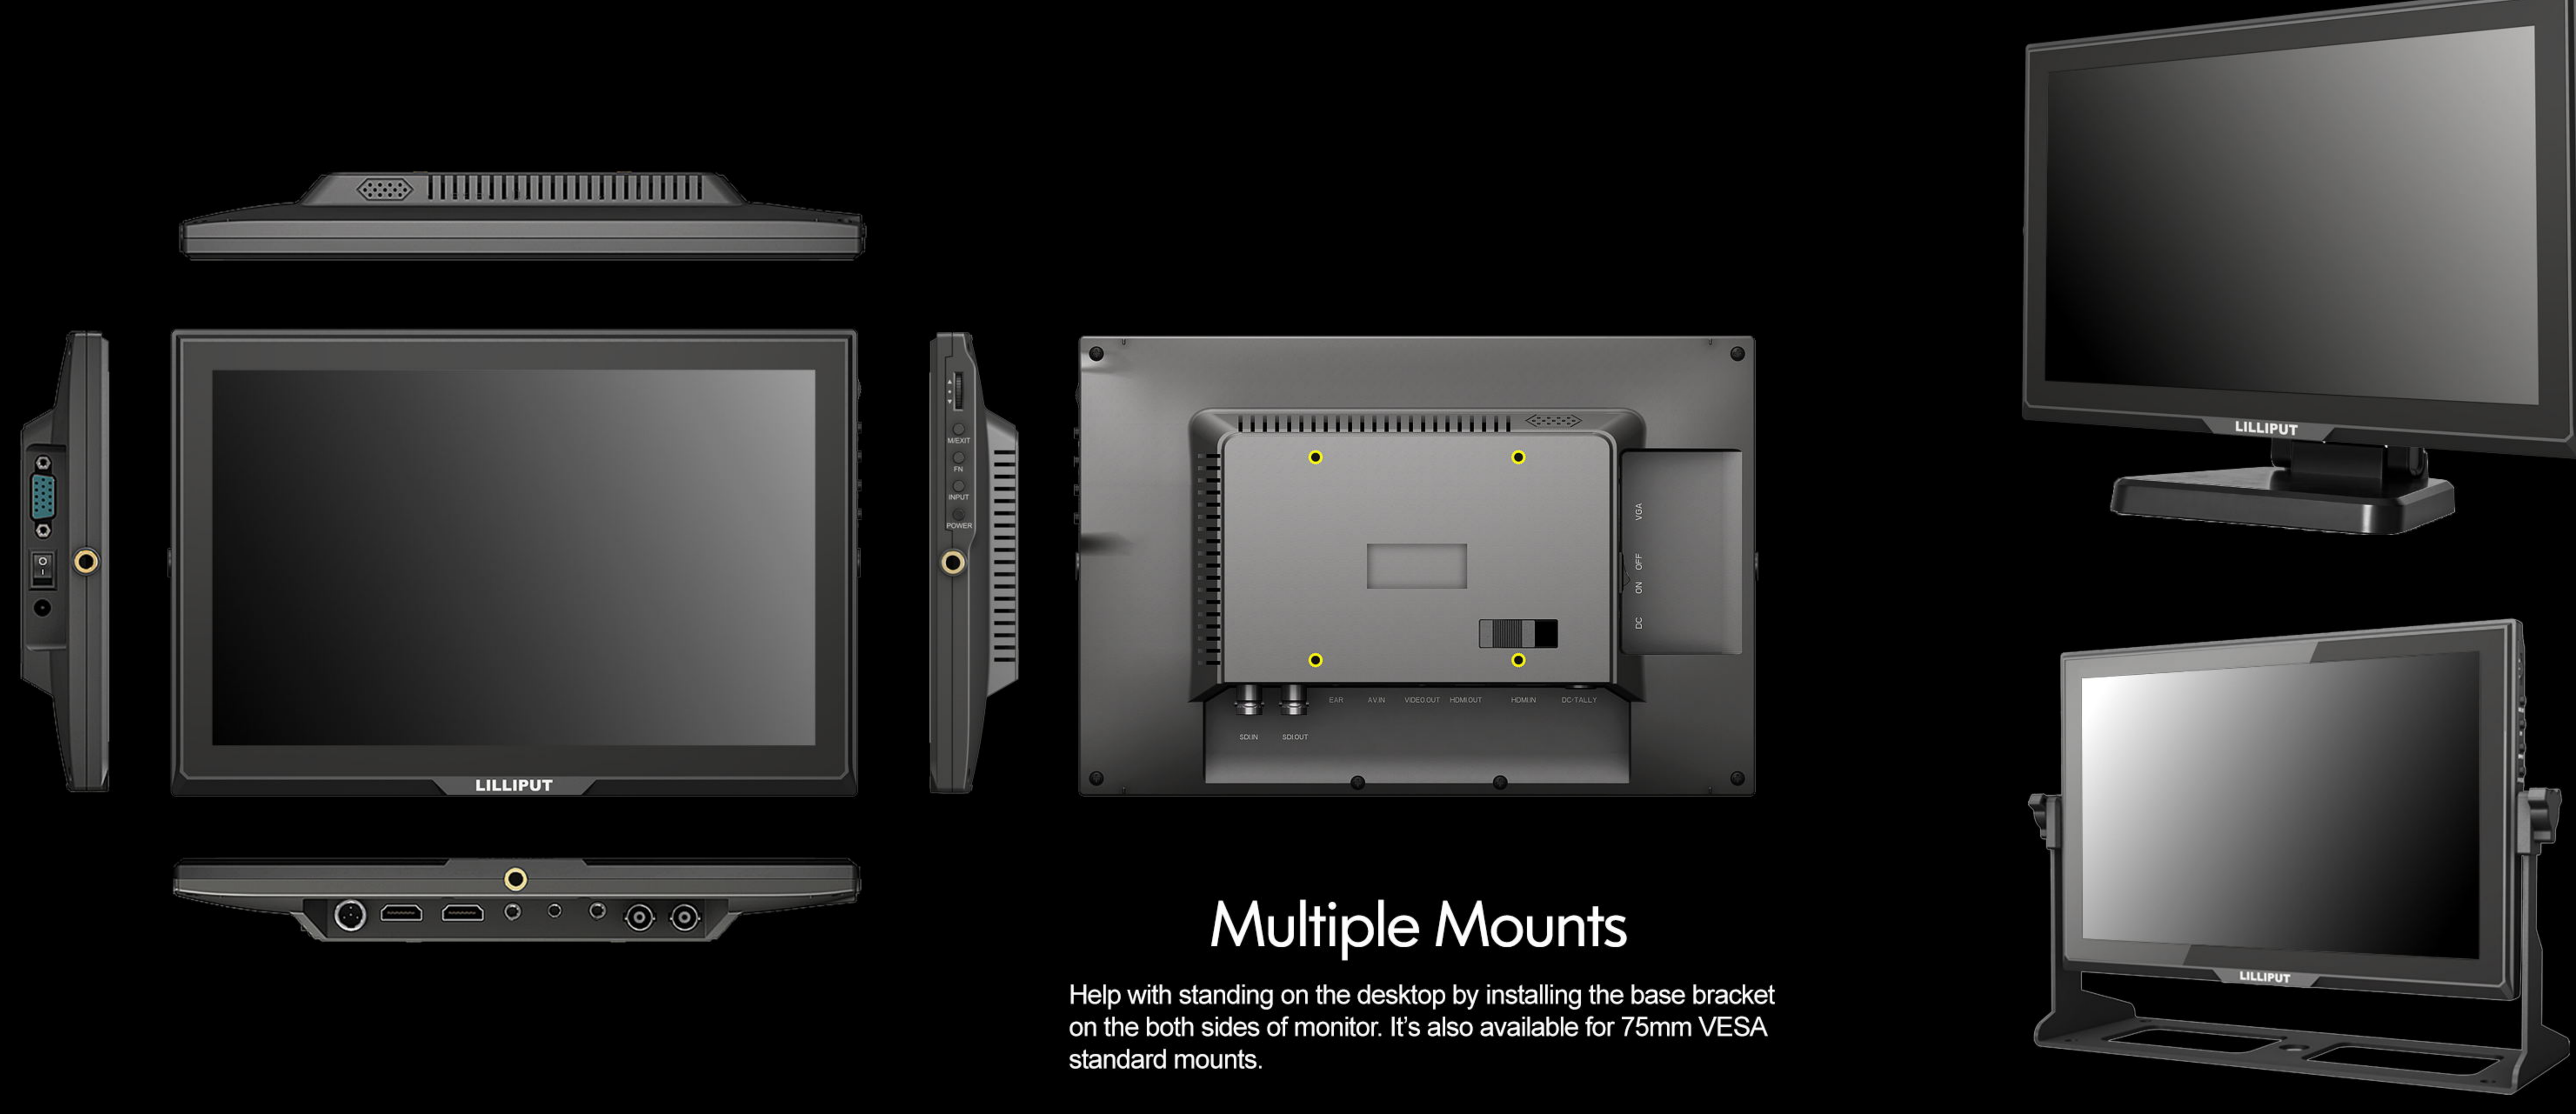

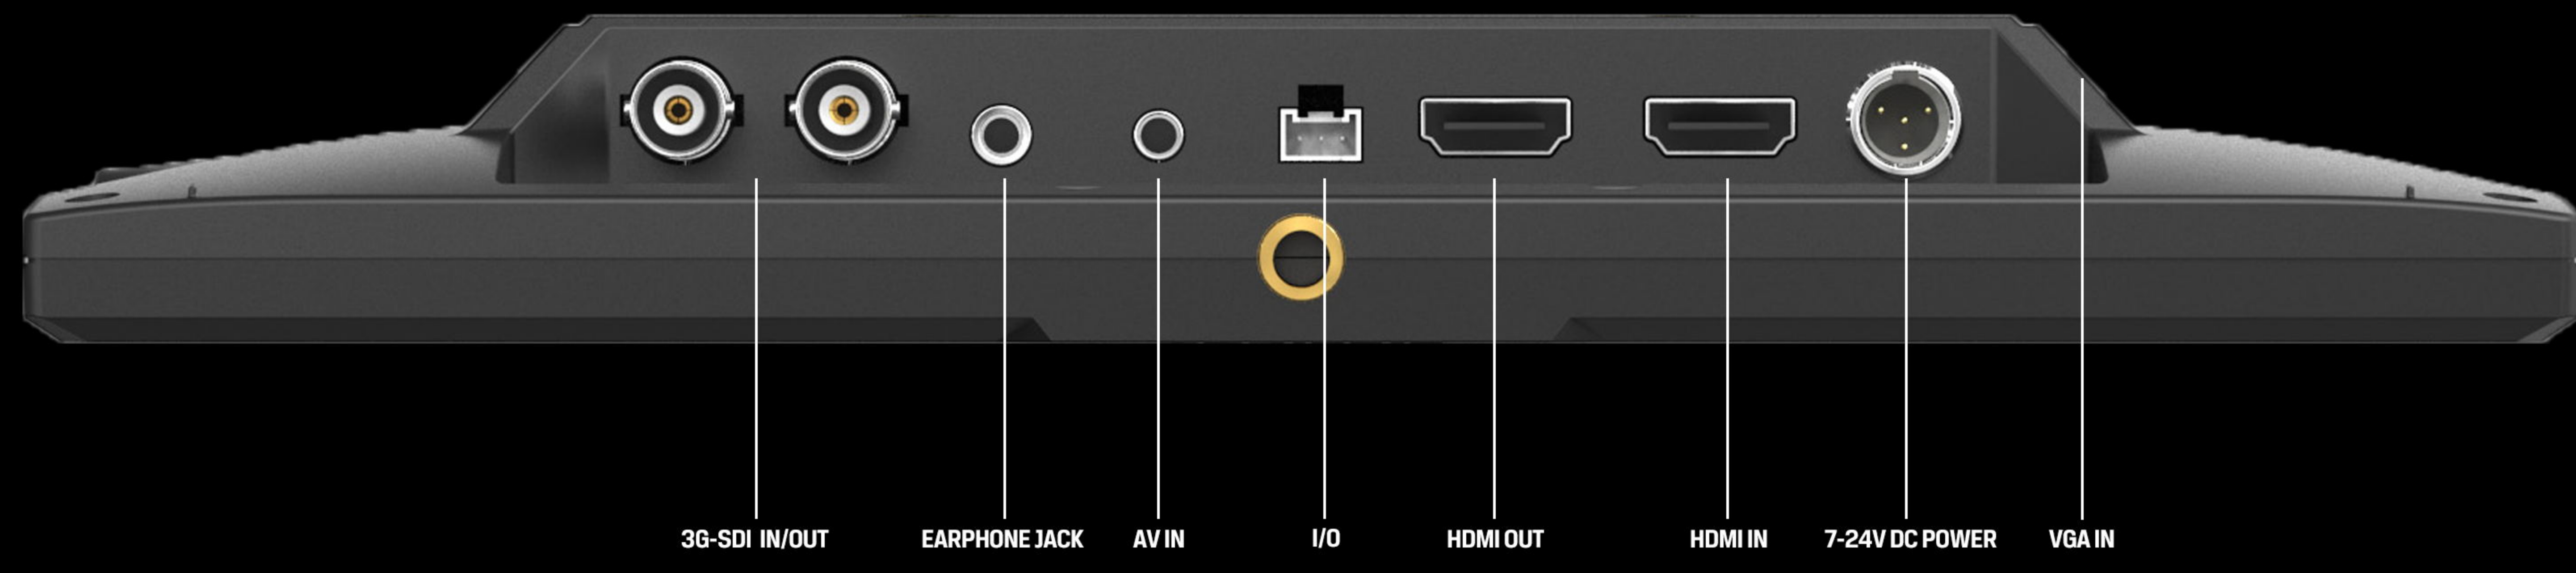

Excellent
Display

Features with 800.1, 350 cd/m² high brightness & 170° WVA. As well as seeing every detail in massive FHD visual quality, it is sunlight readable in the open air.

Security Camera Assist

As a monitor in security camera system to help with general store oversight by allowing managers and employees to keep an eye on multiple areas at once.

Multiple Mounts

Help with standing on the desktop by installing the base bracket on the both sides of monitor. It's also available for 75mm VESA standard mounts.
